Canada · United States · Global

Specialty Financing for Your Signature Assets.

Asset-backed loans and leases for aviation, marine, and specialty assets across North America. Not a broker: we structure deals like a bank, with direct access to 70+ institutional capital partners.

$4B+	40+	70+	Global
TRANSACTIONS COMPLETED	YEARS OF EXPERIENCE	INSTITUTIONAL PARTNERS	CROSS-BORDER REACH

FINANCING SOLUTIONS

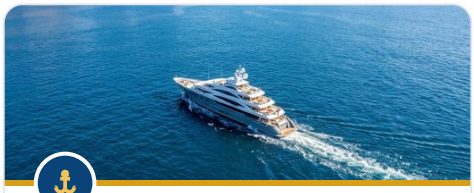
Six integrated capabilities, tailored to each transaction.

FIXED WING

Business jets, turboprops, and commercial aircraft: acquisition, refinance, and leases.

ROTOR / HELICOPTER

Utility, EMS, and corporate rotor financing built around mission profile and residual.



MARINE

Private yacht and commercial marine financing with competitive terms and flexible amortization.

CAPITAL SOLUTIONS

Strategic advisory, working capital, M&A and succession, private capital raising, valuation.

TRADE FINANCE

Unsecured 150-day revolving credit in USD / CAD / EUR / GBP. No collateral, no bank-line impact.

FX RISK MANAGEMENT

Hedging, forwards, spots, and options across 60+ currencies with a dedicated FX specialist.

THE AMCAP DIFFERENCE

Pure Specialists
Only financing. No brokerage, no dealing, no style drift.

Banker Mindset
We structure deals like institutional bankers, not rate shoppers.

Global Reach
Banks and private lenders across the US, Canada, and beyond.

Full Transparency
Immediate partner notification. Honest, direct communication.

HOW IT WORKS

From first call to funded.

1. **APPLY**
   Submit asset and borrower details through our secure application in under 10 minutes.
2. **REVIEW**
   We assess objectives and compare across 70+ institutional lenders for the optimal structure.
3. **STRUCTURE**
   We position your deal and negotiate terms aligned to your timeline, goals, and asset.
4. **FUND**
   Closing coordinated end-to-end. You execute with clarity, not guesswork.
